

LÍNGUA PORTUGUESA

01) Assinale a alternativa em que a concordância verbal está CORRETA:

- (A) Fazem dois anos que o projeto foi iniciado.
- (B) Houveram muitos problemas durante a reunião.
- (C) Existe várias soluções para o caso.
- (D) Devem haver alternativas mais eficientes.
- (E) Faz dois anos que o projeto foi iniciado.

02) Na frase “os alunos realizaram uma excelente apresentação”, a palavra “excelente” é classificada como:

- (A) Advérbio.
- (B) Substantivo.
- (C) Pronome.
- (D) Adjetivo.
- (E) Verbo.

03) Assinale a alternativa CORRETA quanto à regência verbal:

- (A) O professor assistiu o filme indicado pela turma.
- (B) Os alunos aspiram um futuro melhor.
- (C) Prefiro mais estudar do que trabalhar.
- (D) Ela informou os alunos sobre a mudança.
- (E) Cheguei no colégio atrasado.

04) No trecho “Maria estudou durante toda a semana para a prova. Portanto, conseguiu um excelente desempenho.” O termo “portanto” estabelece a ideia de:

- (A) Oposição.
- (B) Explicação.
- (C) Conclusão.
- (D) Alternância.
- (E) Comparação.

05) Assinale a alternativa em que a oração é subordinada substantiva objetiva direta:

- (A) Desejo que todos participem da reunião.
- (B) O problema é que ninguém compareceu.
- (C) Tenho certeza de que ele voltará.
- (D) A verdade é que o prazo terminou.
- (E) Era necessário que os alunos estudassem.

MATEMÁTICA/RACIOCÍNIO LÓGICO

06) Em uma viagem internacional, um brasileiro durante o almoço na escolha de uma carne verificou no cardápio que o peso da carne de sua escolha é de 12 oz ou 12 onças unidade utilizada naquele país, sabendo que 1 oz equivale a 28,35 gramas, qual é peso total em gramas da carne que escolheu para almoçar?

- (A) 320,25 gramas.
- (B) 328,40 gramas.
- (C) 336,10 gramas.
- (D) 340,20 gramas.
- (E) 348,60 gramas.

07) A função $T(t) = 6 (30^{t/5})$ determina a temperatura de uma determinada substância exposta a uma radiação, onde em um experimento realizado em um laboratório, t indica o tempo em horas. De acordo com esta função, a temperatura de 180 graus celsius será atingida após quantas horas de experimento?

- (A) 2 horas.
- (B) 4 horas.
- (C) 5 horas.
- (D) 6 horas.
- (E) 10 horas.

08) Uma obra será realizada no município de Herculano, onde o vencedor da licitação irá cobrar R\$ 4.500,00 por metro quadrado de área construída. Sabendo que a obra terá 376,75 metros quadrados, o valor total a ser pago para a construtora vencedora é de:

- (A) R\$ 1.665.425,00.
- (B) R\$ 1.695.375,00.
- (C) R\$ 1.705.485,00.
- (D) R\$ 1.715.250,00.
- (E) R\$ 1.735.595,00.

09) Três máquinas são responsáveis pela produção diária de peças de uma indústria conforme tabela abaixo:

| Máquinas | Produção em Relação ao Total | Produção de Peças com Defeito |
|----------|------------------------------|-------------------------------|
| 01 | 40% | 1,5% |
| 02 | 35% | 0,75% |
| 03 | 25% | 2,0% |

Se em um determinado dia a produção total de peças foi de 25.000 unidades, a quantidade de peças com defeito produzidas pelas máquinas 01 e 03 esperados é de:

- (A) 250.
- (B) 275.
- (C) 235.
- (D) 215.
- (E) 295.

10) Em uma assembleia legislativa, 10 vereadores se candidataram para participar de uma comissão que será criada com 5 membros e esta comissão irá realizar visitas a todas as escolas municipais da cidade de Bela Vista do Sul. Considerando estes dados, a quantidade de comissões distintas que podem ser criadas é de:

- (A) 120.
- (B) 5.000.
- (C) 40.320.
- (D) 720.
- (E) 252.

CONHECIMENTOS GERAIS

11) A Copa do Mundo FIFA de 2026 é um dos grandes eventos no mundo do turismo associado a esportes. Isso porque além do atrativo esportivo, o torneio traz um formato inédito que visa movimentar intensamente o turismo e a economia global. Considerando os aspectos geográficos e turísticos das cidades-sede escolhidas para abrigar os jogos, analise as afirmativas a seguir e marque V para VERDADEIRO ou F para FALSO:

() A Copa do Mundo de 2026 é a primeira edição da história do torneio a ser sediada por três países de forma conjunta (Estados Unidos, Canadá e México) com 48 seleções representadas.

() No Canadá, as cidades-sede escolhidas são Montreal e Ottawa, ambas próximas da fronteira internacional canadense com o México na costa Leste, selecionadas tanto pela importância econômica e política como também pelo clima ameno nesta época do ano.

() No México, foram selecionadas como sede Guadalajara, Monterrey e Cidade do México. Esta última apresenta a característica geográfica de estar localizada em elevada altitude (mais de 2.200 metros acima do nível do mar), fator que pode impactar o rendimento físico dos atletas.

() Nos Estados Unidos, principal país-sede do torneio, tem diversas cidades-sede para abrigar as seleções mundiais. Entre elas, está a capital Washington D.C., às margens do Oceano Pacífico, em que será realizada a grande final em estádio defronte à Casa Branca, sede do governo daquele país.

Assinale a alternativa que apresenta a sequência CORRETA:

- (A) V-V-F-F.
- (B) F-V-F-V.
- (C) F-F-V-V.
- (D) V-F-F-V.
- (E) V-F-V-F.

12) O sistema de pagamentos instantâneos brasileiro (Pix) transcendeu sua função original de facilitação do mercado interno e tornou-se um instrumento de destaque na diplomacia econômica do país. Quais das assertivas abaixo são ações estratégicas do Estado brasileiro e suas instituições nesse processo? Assinale a alternativa com a sequência CORRETA.

I - A participação ativa do Banco Central do Brasil em projetos multilaterais, como o Nexus do Banco de Compensações Internacionais (BIS), visando padronizar e interligar sistemas de pagamentos instantâneos em escala global.

II - A imposição, por meio do Ministério das Relações Exteriores, da criação de uma moeda única no Mercosul como pré-requisito diplomático e tecnológico para o compartilhamento da infraestrutura do Pix com os países vizinhos.

III - A estruturação, por parte do Banco Central, de mecanismos operacionais transfronteiriços desenhados para reduzir os custos de transação no comércio bilateral e facilitar o envio de remessas por brasileiros residentes no exterior.

IV - A adesão voluntária do Estado brasileiro a restrições tecnológicas da Organização Mundial do Comércio (OMC), selando o compromisso legal do Brasil em não compartilhar a arquitetura do sistema Pix com países localizados fora das Américas.

- (A) Apenas I e II.
- (B) Apenas II e IV.
- (C) Apenas III e IV.
- (D) Apenas I e III.
- (E) Apenas I e IV.

13) Preencha as lacunas com a alternativa CORRETA:

O histórico julgamento iniciado no segundo semestre de 2024 na _____, envolvendo um esquema sistemático de abusos orquestrado pelo próprio marido da vítima ao longo de uma década, tornou-se um marco global no combate à violência de gênero. O caso, no qual o principal réu e dezenas de outros homens respondem pelo crime de _____, ganhou ampla repercussão internacional quando a vítima, _____, abriu mão do direito a um julgamento a portas fechadas e exigiu que as audiências fossem públicas, sob a premissa de que a vergonha deveria mudar de lado.

- (A) África do Sul/feminicídio/Reeva Steenkamp.
- (B) França/estupro/Gisèle Pelicot.
- (C) Paquistão/tentativa de homicídio/Malala Yousafzai.
- (D) República Islâmica do Irã/tortura policial/Mahsa Amini.
- (E) México/sequestro e desaparecimento/Debanhi Escobar.

14) No início de 2026, a Organização Mundial da Saúde (OMS) e autoridades sanitárias globais voltaram suas atenções para a região central do continente africano, especificamente para a República Democrática do Congo (RDC), devido à confirmação de um novo surto de uma febre hemorrágica altamente letal. Com um longo histórico de enfrentamento desde a sua descoberta na década de 1970, próximo a um rio que lhe empresta o nome, a patologia exigiu o acionamento rápido de protocolos de isolamento severo para conter a disseminação comunitária a partir das densas florestas equatoriais. Qual das alternativas se refere ao nome da doença catalisadora deste cenário de alerta sanitário internacional relatado no texto?

- (A) Variola.
- (B) Covid-19.
- (C) Ebola.
- (D) Chagas.
- (E) Poliomielite.

15) Nos últimos anos, o Brasil tem vivenciado um intenso debate nacional que contrapõe dois grandes desafios: a necessidade de aumentar a produtividade da economia brasileira e a crescente demanda da classe trabalhadora por mais tempo de descanso semanal, saúde mental e convívio familiar. Essa discussão ganhou força por meio de mobilizações nas redes sociais e nas ruas, culminando na apresentação de Propostas de Emenda à Constituição (PEC) no Congresso Nacional e movimentando as forças políticas em um ano eleitoral. Apesar dos destaques e projetos concorrentes no percurso político e legislativo em Brasília, qual das alternativas abaixo se refere a um nome que condensou esse debate público?

- (A) PEC da Escala 6x1.
- (B) PEC das Domésticas.
- (C) PEC do Trabalho Escravo.
- (D) PEC da Bengala.
- (E) PEC do Teto de Gastos.

CONHECIMENTOS ESPECÍFICOS

16) Choose the alternative in which all the words correspond to negative adjectives in English language.

- (A) Unable, uncomfortable, inconvenient, impolite, immature.
- (B) Terrific, undeniable, probable, impunitive.

- (B) Current debates on inclusion and technology relate to historical changes in the concepts of citizenship.
- (C) Modern pedagogy has entirely discarded the foundational principles established throughout history.
- (D) Digital access has successfully eradicated the profound educational disparities in today's society.
- (E) The school's social function remains strictly confined to the dissemination of academic knowledge.

25) Regarding traffic signs and regulations, identify the alternative in which the modal verb expresses a strict obligation:

- (A) Drivers should be careful when it rains.
- (B) You can park your car here on weekends.
- (C) Must motorists stop when the traffic light is red?
- (D) It might be difficult to see the signs at night.
- (E) Cyclists may use this lane during the day.

26) With reference to the essential elements of the journalistic genre in English, mark the INCORRECT alternative:

- (A) Headlines frequently use the Present Simple Tense to mention recent events and create a sense of immediacy.
- (B) Citing expert opinions and witness accounts is essential for ensuring the story's authenticity and presenting a range of perspectives.
- (C) Attribution is a fundamental practice, as journalists must clearly identify the sources of their information to ensure transparency.
- (D) A first-person perspective is usually employed to maintain an objective and professional tone throughout the report.
- (E) Headlines frequently omit articles (a, an, the) and auxiliary verbs to save space and increase the message's impact.

27) With respect to the instructional practices associated with the Audiolingual Method, a well-known framework in the 40s and 50s, it is correct to say that:

- (A) Extensive use of translation and grammatical analysis served as the foundation of the instructional process.
- (B) Recreational activities, such as games and music, constituted the instructional core of the method.
- (C) The approach was heavily grounded in behaviorism, viewing language learning as a series of mechanical habits.
- (D) Greatest emphasis was placed on the development of reading and writing competencies.
- (E) Instruction focuses on the negotiation of meaning through spontaneous social interaction, prioritizing communicative fluency over formal accuracy.

28) The sentence “Tighten the screws securely” is a typical example of the imperative language and technical vocabulary found in which of the following textual genres?

- (A) Recipes.
- (B) Travel guides.
- (C) Instruction manuals.
- (D) Receipts.
- (E) News reports.

29) Identify the sentence written in the ACTIVE VOICE:

- (A) A delicious traditional dinner was prepared by the chef.
- (B) The complex final exam is being taken by the students right now.
- (C) Local farmers grow organic vegetables for the community.
- (D) New dietary guidelines have been established by the health department.
- (E) Scientific research will be presented at the conference next month.

30) Choose the ONLY alternative in which all the words refer to nouns in English language:

- (A) Awesome, empty, enormous, great, destiny.
- (B) Enjoyable, serious, polluted, tall, diverse.
- (C) Never, interesting, near, big, amazing.
- (D) Happiness, door, condition, disease, size.
- (E) Usually, seldom, run, trauma, landscape.

31) Considering the use of comparative form in English language, choose the alternative that refers to the use of short adjectives.

- (A) They have more popular restaurants in this neighborhood than downtown.
- (B) The new flower shop in town has more beautiful options than at Mary’s.
- (C) Fruits on the street market are cheaper than at the supermarket.
- (D) Studying Physics is more boring than practising a very difficult sport.
- (E) Teaching a foreign language is more interesting than playing video games.
