Questões de Conhecimentos Específicos da área de atuação, Gerais da educação e Legislação

01. In the context "[...] the functional view, in language, has been applied to the communicative movement in language teaching", that happens due to:

A) This theory points out the communicative and semantic dimension rather than simply the grammatical characteristics of language.
B) This theory neglects the communicative and semantic dimension rather than simply the grammatical characteristics of language.
C) This theory overlooks the communicative and semantic dimension rather than simply the grammatical characteristics of language.
D) This theory deprives the communicative and semantic dimension as well as the grammatical characteristics of language.

02. The interactional view "sees language as a vehicle for the realization of interpersonal relations and for the performance of social transactions between individuals" (Richards, Jack C.; Rodgers, Theodore S., in Approaches and Methods in language teaching), in this context, it may be correct to say that:

A) "Interactional theories reject the patterns of moves, acts, negotiation, and interaction found in conversational exchanges."
B) "Interactional theories forbid the patterns of moves, acts, negotiation, and interaction found in conversational exchanges."
C) "Interactional theories focus on the patterns of moves, acts, negotiation, and interaction found in conversational exchanges."
D) "Interactional theories deny the patterns of moves, acts, negotiation, and interaction found in conversational exchanges."

03. Read the text below.

A Basic Model of Language Learning

Learning an additional language necessarily involves at least five elements, or to put it another way, any explanatory model of language learning must take into account at least the following five elements:

To start off, there must be _____, the person learning the language. No language learning will take place if the learner is not exposed to _____, some form of the language being learned, and one of many constituents of _____. In the process of learning the language, a systematic representation of

that knowledge, _____, develops inside the learner's head. Learning is evident in _____, a display of the learner's ability in the language.

(Barkhuizen, Gary, in Social influences in Language Learning)

Observing the context above, choose the best option that completes the paragraph in the correct order.

A) A learner – input – the social context – a foreign language – output.
B) A learner – input – the social context – an interlanguage – output.
C) A learner – output – the social context – an interlanguage – input.
D) A teacher – input – the language structure – an interlanguage – output.

04. In the context "It is based on the idea that learners draw heavily from their native language to learn the additional language, leading to the transfer of certain forms and meanings that may reflect differences in learner performance.;" (Perna, C. B. L., Molsing, K. V., & Ramos, Y. S.) the theory described can be named as:

A) Direct method.
B) Cognitive code learning.
C) Task based teaching.
D) Contrastive analysis.

05. Identify the best technique when a teacher wants to apply an interactive learning activity.

A) Learner needs, styles and goals; focus on student competence, self-worth, creativity, and innovation.
B) It can be developed by: pair work and group work; authentic language; meaningful communication; practicing oral communication; writing for real audiences.
C) It points learners beyond form to real world contexts; tasks contribute specifically to communicative goals; objectives organized carefully in succession; tasks engage learners; problem solving.
D) It is an imitation of first language acquisition; oral interaction; spontaneous use of language; no translation, no analysis of grammar rules.

06. Observe the fragments below.

I - The visual world takes on an intensified reality to be <u>absorbed in</u> the work;

II - Musk's <u>accused</u> the man <u>of</u> being a thief;

III - I've become <u>accustomed with</u> books on anxiety that claim to offer solutions;

IV - Their careers should be extra <u>careful about</u> the messages.

Observing the underlined collocations, choose the correct alternative.

A) The items I, II and IV, only.
B) The items I, II and III, only.
C) The items I, III and IV, only.
D) The items II, III and IV, only.

07. Read the fragment below.

"[...] the officers who responded put their wounded colleagues into cruisers and rushed them to the hospital instead of _____ for an ambulance."

Choose the best verb tense that completes the context above.

A) Wait.
B) To wait.
C) Waiting.
D) Waited.

08. Identify the sentence in which there is the use of a wrong tense.

A) Did you bring energy, enthusiasm and confidence to the interview?
B) The men don't believe him at first. It's not surprising.
C) The number of fires at vacant houses has increased each month.
D) They did not went through the right legislation procedure.

09. Analyze the fragment below.

"The camera is still on. Can you please shut _____ off until we go back to filming again?"

Choose the best option that completes the context above.

A) Them.
B) It.
C) Her.
D) Him.

10. In the sentence "Michael is <u>tall</u> of the two boys", the underlined item should be corrected as:

A) [...] the taller.
B) [...] the tallest.
C) [...] as tall.
D) [...] as tall as.

11. In the sentence "I _____ the book yesterday!" Choose the correct option that completes the context.

A) […] finish.
B) […] am finishing.
C) […] finished.
D) […] had finished.

12. In the sentence "The teenagers <u>have worked</u> all summer on the project", the underlined verb tense is applied to a situation:

A) That exists until the past.
B) That exists until the future.
C) That must be conditional.
D) That exists until the present.

13. In the sentence "The Administration talks as if it <u>has had</u> the backing of the public for its executive orders", observing the context, choose the best option that corrects the underlined item.

A) Has.
B) Had.
C) Would have.
D) Have.

14. In the sentence "St. James's Theatre <u>is to be reopened</u> early in June," the underlined item implies that:

A) The theater is unlikely to reopen in the near future.
B) The theater is likely to reopen in a long future.
C) The theater is likely to reopen in the near future.
D) The theater is impossible to reopen in the near future.

15. Observe the sentence below.

"Samantha told me that she <u>would bring</u> her children for the summer camp."

It is correct to say that the underlined situation sees:

A) The future from the past.
B) The future from the present.
C) The past from the speech.
D) The present from the past.

16. Analyze the sentence below.

"She wasn't going to say anything about the store, but the journalists _____ her to."

Choose the best option that completes the context above.

A) […] ask.
B) […] are asking.
C) […] was asking.
D) […] asked.

17. In the sentence "It has been informed us that we have to write a different essay", without changing the context, identify the best option that correct the underlined item:

A) We informed […].
B) We have been informed […].
C) It has informed us […].
D) They have been informed […].

18. Observe the sentences below.

I - What was the building like? (asking a general option on something).

II - What do you like about the company? (asking details of something).

III - What if your car doesn't work? (asking or giving an advice).
